

Band Field Trip Permission Slip

_____ Has my permission to attend all of the events
Student Name
listed, unless otherwise indicated, for the 2009-2010 school year. I understand that all travel outside of Livermore will be by charter bus and that, for safety reasons, students are expected to travel round trip by bus, unless written consent is given in advance of the trip. Only under the most extreme conditions may a student ride TO an event with their parent or guardian. I also understand that it is a violation of district policy for a student to drive other students to an off-campus activity.

Please remember: Performances are a part of every music student's grade
